WASSER LICHT FESTIVAL

14 Künstler aus aller Welt interpretieren mit ihren 27 Licht-Kunst-Installationen die kulturellen Schätze und Wasserorte der Stadt Brixen neu. WASSER ALS DAS LEBEN UND LICHT ALS DIE KUNST – Diese, auf den ersten Blick, unbedeutende Verbindung erzeugt im Zeitraum des Wasser Licht Festivals einzigartige Licht- und Lebensmomente.

FESTIVAL di ACQUA e LUCE

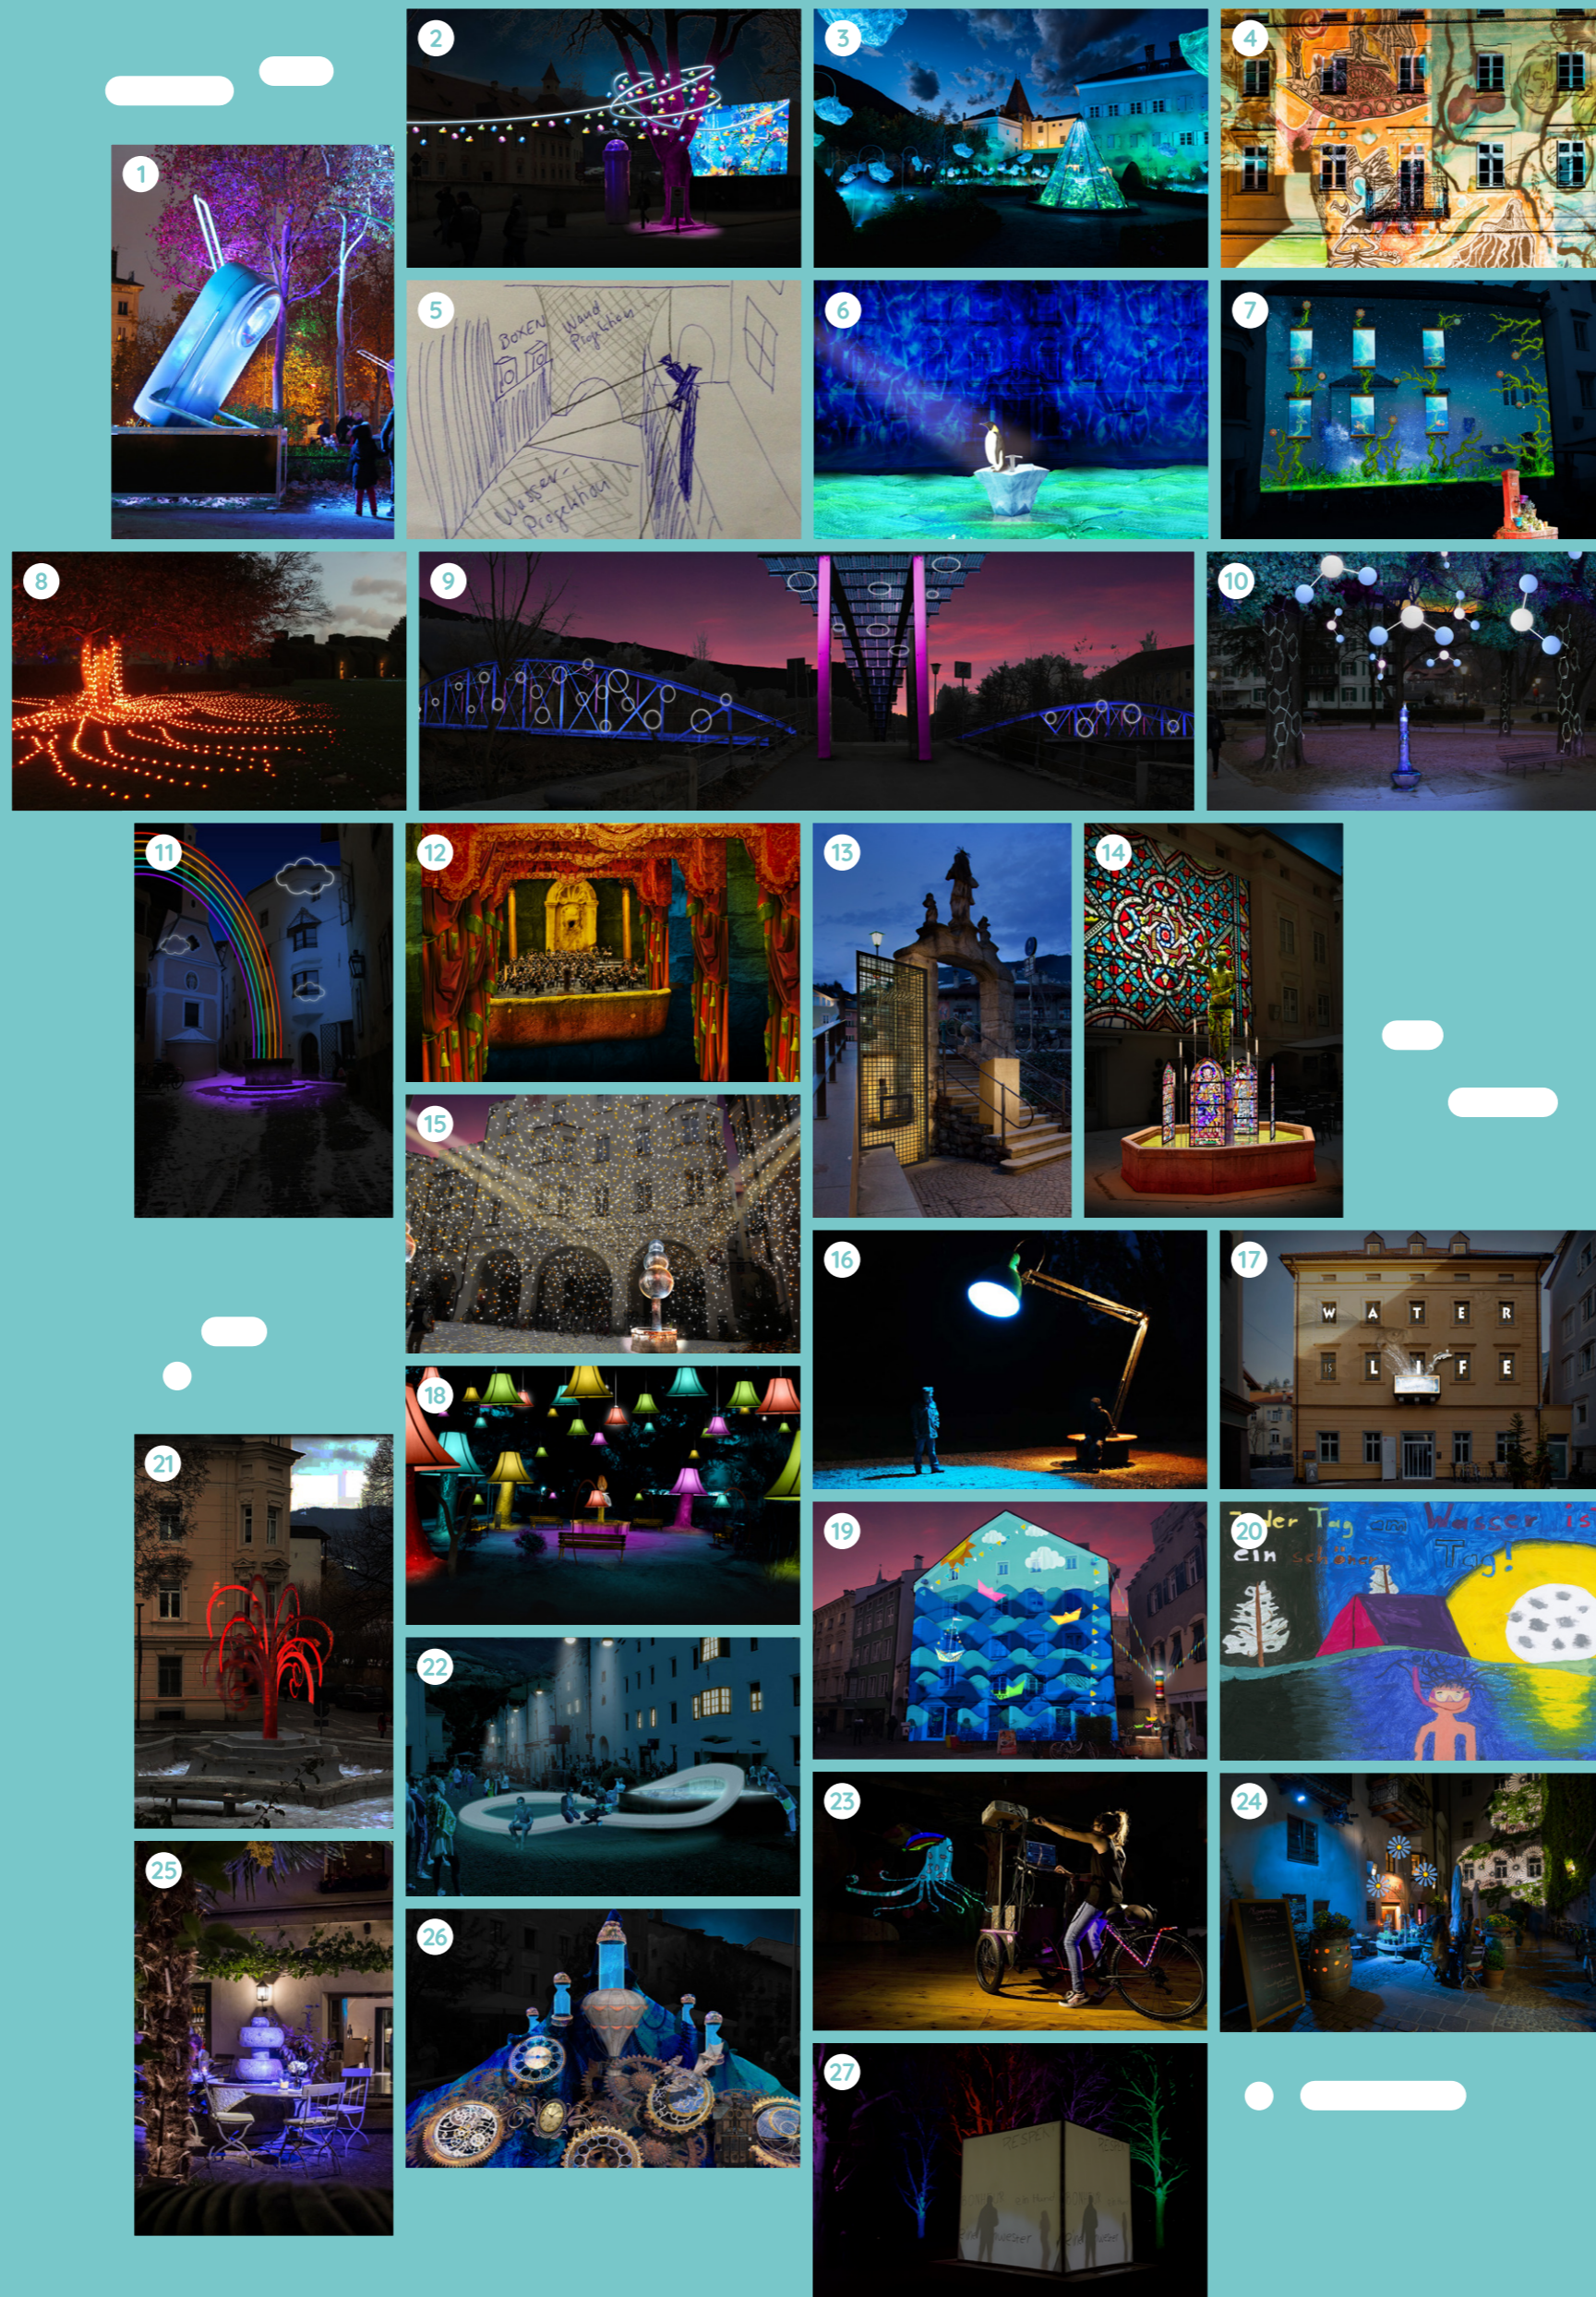

14 artisti da tutto il mondo reinterpretano e valorizzano i tesori culturali e punti d'acqua della città di Bressanone con le loro 27 installazioni di luci e arte. ACQUA COME VITA E LUCE COME ARTE – questa connessione, a prima vista insignificante, crea attimi di luce e di vita unici e indimenticabili durante il Festival di Acqua e Luce.

WATER LIGHT FESTIVAL

14 artists from all over the world are reinterpreting the cultural treasures and water sites of Brixen through their 27 light art installations. WATER AS LIFE AND LIGHT AS ART – This, at first glance insignificant connection, creates unique moments of light and life during the Water Light Festival.
